Book Condition: New. Publisher/Verlag: Random House US | A Novel | Temperance "Tempe" Brennan is back and better than ever in the seventeenth thriller in Kathy Reichs's series. The forensic investigator will be up to her old tricks even as Reichs takes the series in a new direction that will delight her many fans. Among other surprises, fans will finally meet Tempe's much discussed (but never seen) mother and follow her quest to track down the one criminal who got away. | INTERNATIONAL BESTSELLER The evidence is irrefutable: In sixteen bestsellers over the course of as many years, Kathy Reichs has proven herself "a genius at building suspense" (New York Daily News). In forensic anthropologist Temperance Brennan, Reichs has created a detective fiction heroine who's brilliant to the bone. Now, as if summoned from their nightmares, Pomerleau has resurfaced in the United States, linked to victims in Vermont and North Carolina. When another child is snatched, the reign of terror promises to continue—unless Brennan can rise to the challenge and make good on her...
