This book offers comprehensive insight for anyone who is interested in working in a correctional environment. Working in this type of environment is challenging and rewarding at the same time. Like any other career you get back what you put into it. I have over ten years in corrections from an officer to a nurse and I consider myself a correctional veteran. The scenarios are geared toward new nurses seeking work in corrections but, the book as a whole gives a birds eye view to the reader of what it is like to be immersed in a jail or prison. This book is also a quick read for the new professional with not a lot of time. It will fit in your pocket. This is a must read! This item ships from La Vergne, TN. Paperback.
