Local neighbourhoods everywhere are affected by global changes, including the death of a single religious vision, shifting work and family patterns, and widespread scepticism. Violence and tension are rising. There is a way forward. Churches are taking a lead in community cohesion and transformation. If we are faithful, the future is full of hope. Duncan outlines a Kingdom approach affecting every area of community life. From housing to healthcare, from citizenship to crime prevention, ordinary Christians and local churches have a vital role to play.
