She ran the backs of her fingers along the line of his jaw. And what if I don t want to keep my distance? Her voice was barely a whisper. Fair warning, he murmured, and pulled her close. Caught between a greedy corporation and a desperate love of the land, Maria Porterfield barely has time to mourn her father s death. If her family is to survive, it ll be up to her to take charge-but she can t do it alone. When a mysterious drifter rides into town, the handsome cowboy seems like an answer to her prayers. But Chet isn t interested in settling down, no matter how tempting the offer. Chet made his way West looking for a fresh start-the last thing he wants is to get involved in someone else s fight. But something about Maria awakens a powerful need to protect the fierce beauty at all costs. He never thought he d find love, but as danger presses in, he may find there s more beyond the next horizon than just another long and dusty trail.
