Paperback. Book Condition: New. Not Signed; A wonderful and unique look at counting and friendship. This very simple picture book is about two friends, Sue and Nick, who like very different things but are still best friends. They introduce us to all their favourite things from one boy called Nick and one girl called Sue to ten cakes for tea, and then all the way back down to one yellow moon shining in the night sky. The artwork is stunning with each artist contributing alternate pages in their own inimitable style. The deceptively simple text is perfect for children learning to read. book.
