## KILLING TIME WITH STRANGERS.

[DOWNLOAD](#)

University of Arizona Press, Tucson, 2005. Softcover. Book Condition: New. Sun Tracks Fiction Series.. 283 pages. Softcover. New book. FICTION. Young Pal needs help with his dreaming. Palimony Blue Larue, a mixblood growing up in a small California town, suffers from a painful shyness and wants more than anything to be liked. That's why Mary Blue, his Nez Perce mother, has dreamed the weyekin, the spirit guide, to help her bring into the world the one lasting love her son needs to overcome the diffidence that runs so deep in his blood. The magical (and not totally competent) weyekin pops in and out of Pal's life at the most unexpected timesÑand in the most unlikely guisesÑbut seems to have difficulty setting him on the right path. Is there any hope for Palimony Blue? Don't ask his father, La Vent Larue; La Vent is past hope, past help, a city zoning planner and a pawn in the mayor's development plans who ends up crazy and in jail after he shoots the mayor in theÑwell, never mind. Better to ask Pal's mother, who summons the weyekin when she isn't working on a cradle board for Pal and his inevitable bride. And while you're at it, ask the women in Pal's life: Sally the preacher's daughter, Brandy the waitressing flautist, Tara the spoiled socialite. And be sure to ask Amanda, if you can catch her. If you can dream her. Using comic vision to address serious concerns of living, Penn has written a freewheeling novel that will surpass most readers' expectations of "ethnic fiction." Instead of the usual polemics, it's marked by a sense of humor and a playfulness of language that springs directly from Native American oral tradition. Winner of the Before Columbus Foundation's American Book Award With the captivating rhythm of...
