POVERTY AMID PLENTY IN THE NEW INDIA

[DOWNLOAD](#)

Cambridge University Press, 2012. Softcover. Book Condition: New. 15 x 23 cm. India has one of the fastest growing economies on earth. Over the past three decades, socialism has been replaced by pro-business policies as the way forward. And yet, in this `new` India, grinding poverty is still a feature of everyday life. Some 450 million people subsist on less than \$1.25 per day and nearly half of India`s children are malnourished. In his latest book, Atul Kohli, a seasoned scholar of Indian politics and economics, blames this discrepancy on the narrow nature of the ruling alliance in India that, in its new-found relationship with business, has prioritized economic growth above all other social and political considerations. This thoughtful and challenging book affords an alternative vision of India`s rise in the world that its democratic rulers will be forced to come to grips with in the years ahead. Contents Introduction 1. Political change: illusions of inclusion 2. State and economy: want amid plenty 3. Regional diversity: to him who hath Conclusion. Printed Pages: 260.
