## Fast Facts: Cardiac Arrhythmias

By Gerry Kaye, Steve Furniss, Robert Lemery

Health Press Limited, United Kingdom, 2013. Paperback. Book Condition: New. 2nd edition. 203 x 147 mm. Language: N/A. Brand New Book. Recent progress in interventional therapies has revolutionized the management of cardiac arrhythmias, resulting in a remarkable improvement in outcomes for patients. Yet the diagnosis and management of arrhythmias are still viewed as a complex and inaccessible area of modern cardiology. *Fast Facts: Cardiac Arrhythmias* cuts through the technical detail to provide a better understanding of how the patient with arrhythmia presents, and how the problem should be best investigated and managed. Highlights include: - Succinct descriptions with clear well-annotated illustrations of normal conduction and the mechanisms of arrhythmias - A simple classification of arrhythmias based on 12-lead ECG patterns - A comprehensive review of presenting signs and symptoms, with key questions to ask the patient - A logical approach to investigation: predict it (history and examination), wait for it (monitoring) or provoke it (electrophysiology) - Practical information on management options: pharmacological therapy, direct cardioversion, catheter ablation and cardiac devices (pacemakers and defibrillators) - The latest international guidelines on atrial fibrillation and catheter and surgical ablation - Important pharmacological updates, including the latest thinking on anticoagulation. This highly readable handbook...

### Reviews

*It is an awesome publication which i actually have ever read through. it had been written really properly and valuable. I found out this book from my i and dad recommended this pdf to discover.*

-- Doyle Schmeler

*This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.*

-- Brennan Koelpin
