 Short Story -- Fiction Welcome to the not so distant future.
 Human beings have pushed Mother Earth to her breaking
 point--mass wildlife extinctions, global warming, widespread
 resource shortages, over population--and the Department of
 Homeland Security is offering stimulus packages to the
 children of American citizens who volunteer to be euthanized.
 This short story about a chance encounter between two
 volunteers serves as a warning to a self-destructing human
 race. Voluntary is a tale of sacrifice, passion, and emotion
 between complete strangers who realize that time is of little
 importance to their feelings for each other in an inevitably
 dying world. This item ships from La Vergne, TN. Paperback.
