In the 1960s and throughout the 70s, the much more powerful North Vietnamese Army took full advantage of Laos weaker position by fueling the internal conflict within the landlocked country and gaining room for their troops to maneuver within Laos. During this time, and fearing that the communist propaganda would cross its border with Laos and spread unrest within, The Kingdom of Thailand agreed that the US military could use Thai air bases around the country to fight in defense of freedom and democracy. The Americans swarmed into the Thai Kingdom like migrating African bees, ultimately giving Thailand something magical to smile about, at least superficially. The social stratosphere of Thailand quickly adapted like only Thai culture can. Cities were erected around Thai Air Force Bases throughout the nation, solidifying the shaky foundation of shadow businesses that abound in Thailand and generate a large portion of the Thai GDP. One nation's lust...
