As you read every word of this powerful manual of attack and self-defense against life's illusions, you will realize that YES! I can conquer my illusions-and protect myself from the illusions of other people. Have you ever felt that something is definitely wrong with the beliefs that permeate our society-beliefs that interfere with your pursuit of happiness. Here's something to think about. What if you could easily free the times of your life from the domination of others-and do it your way. You know-it's possible.
