BROOKINGS INSTITUTION, United States, 2002. Hardback. Book Condition: New. 226 x 155 mm. Language: English . Brand New Book. Images of sweatshop labor in developing countries have rallied opponents of globalization against foreign direct investment (FDI). The controversy is most acute over the treatment of low-skilled workers producing garments, footwear, toys, and sports equipment in foreign-owned plants or the plants of subcontractors. Activists cite low wages, poor working conditions, and a variety of economic, physical, and sexual abuses among the negative consequences of the globalization of industry. In Beyond Sweatshops , Theodore Moran examines the impact of FDI in manufacturing on growth and welfare in developing countries, and explores how host governments can take advantage of the contributions of foreign investment while avoiding the hazards to lower-skilled workers. He traces case studies of countries that have managed to produce steady improvement in worker treatment at plants exporting garments, footwear, and other labor-intensive products. The first part of the book examines multilateral proposals designed to place a floor under the treatment of workers around the world, contrasting a WTO-based system to enforce labor standards with voluntary arrangements, including corporate codes of conduct, certification organizations, and sweatshop free labeling. It explores the pros and cons of adding a living wage requirement to the ILO s core labor standards. The second part of the book presents data that significantly broadens our understanding of FDI. By analyzing the evidence from a variety of developing countries in Asia, Latin America, and Africa uMoran demonstrates that most FDI goes to industrial sectors that employ trained workers who are not easily exploited. The flow of FDI to plants that produce electronics, auto parts, industrial equipment, chemicals, pharmaceuticals, and medical equipment, paying production workers two to five times more than what is found in lower-skilled operations, is twenty-five...
