Excerpt: . . . 11 reduction standard, renewable and advanced energy standards, and greenhouse gas 4 reporting and planning requirements. I was appointed by Governor Strickland to the Ohio Commission in April 2007. During the twenty-five years preceding my appointment, I was a consultant advising utilities and regional transmission organizations on operational and regulatory issues and in the development of regional electricity markets, served as one of the principal policy consultants to the U. S. Department of Energy during the early years of electric industry restructuring, and worked as a Senior Attorney and the Senior Energy Policy Advisor for Ohio's residential utility consumer advocate. Today, I will briefly address the foundations of economic and regulatory policy related to energy efficiency, describe Ohio's energy efficiency standard, and address how to develop an effective State - Federal partnership, in which Federal efficiency legislation could provide a catalyst for needed efficiency improvements, while preserving the essential role of the...
