Reviews

Comprehensive guide! Its this type of very good read through. It is actually written in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

Non Aligned originated in response to the complex challenges of Post-Second Word War world reality. Emerging from the nightmare of a global war, the world found itself on the threshold of an era of escalating international tensions and Cold War politics. Non-Alignment was an anxious appeal to the nations of the world for a retreat to peace and sanity, The Movement envisioned a radical restructuring of the principles and perceptions of international Relations and policies. The initiative came in the 1950s from three nations - India, Yugoslavia and Egypt respectively represented by the three statesmen -Nehru, Tito and Nasser. From its modest beginnings at the Belgrade Conference in 1961, with a participation of 25 nations, the Non-Aligned Movement has expanded to include 114 nations in the Kuala Lumpur Summit Conference in 2003. Printed Pages: 154.
