This is Book 3 in the new Level 3 nine-book set of Reader s Clubhouse elementary readers. They are designed for both classroom use and home schooling in grades 1 and 2. Level 3 books are primarily intended for reading instruction following students completion of Levels 1 and 2 readers in grades K and 1. Reader s Clubhouse titles on all levels emphasize the phonics method of teaching. Each Level 3 book focuses on just a few vowel sounds. Six of the Level 3 readers fall into the fiction category, and feature attractive color illustrations supplementing a wide range of story themes. Each title also suggests an activity related to the book s subject matter that is appropriate to the child s grade level. Nonfiction titles are photo illustrated in color. In addition to their main text for reading instruction, they present Fun Facts sidebars that will enrich children s reading experiences with interesting items of information. The nonfiction readers contain the basic elements of an adult s nonfiction book, including glossary and index. They also list two books and one web site where teachers, parents, and kids can find more information about each book s subject. All books present a letter addressed to parents and teachers which explains the fundamental phonics concepts that underlie the Reader s Clubhouse series. Book 3 teaches the ir, er, and ur sounds.
