

The Handbook to Handling His Lordship

Filesize: 8.49 MB

Reviews

The book is great and fantastic. It is written in straightforward words and phrases rather than difficult to understand. You won't really feel monotony at any time of your respective time (that's what catalogues are for regarding should you question me).
(Payton Miller)

St Martin's Press. Paperback. Book Condition: new. BRAND NEW, The Handbook to Handling His Lordship, Suzanne Enoch, THE HANDBOOK TO HANDLING HIS LORDSHIPSUZANNE ENOCHEmily Portsman has a secret, and three years ago she decided the best way to keep it would be to work at the Tantalus Club, a notorious gaming establishment for gentlemen. It's not the sort of work a beautiful, well-bred governess would ever consider-unless she's hiding from her past and a man who wants to destroy her present. Nate Stokes, Earl of Westfall, is a supremely accomplished former spy more at home on London's seedy streets than in any glittery ballroom. His peers know him only as a bookish fellow who can find anything-or anyone. When the Marquis of Ebberling hires him to find a murderess, Nate's search leads him to the Tantalus Club and Emily Portsman. In a game where no one is who they seem and when every conversation is a deadly dance of trust and desire, the only thing Nate knows for sure is that once he gets Emily in his arms, he will never let go.
