Cancer Cures: Heal Your Body and Save Your Life

By MS Cathy Harris

Createspace, United States, 2013. Paperback. Book Condition: New. 214 x 138 mm. Language: English . Brand New Book ***** Print on Demand *****. Even though I have never been diagnosed with cancer, it doesn't mean cancer is not growing inside of my body at this very minute. However, cancer has played a major role in my life. In 2007, my two best friends died 6 months apart from each other with lung and colon cancer. As a matter of fact, one of them spoke at the other one's funeral. Little did he know that in 6 months he too would be lying in a coffin --dead from cancer. After they died, I knew that I had to educate myself on why cancer took my friends and how I had to stop it from taking other people that I deeply cared about. So I set out on a journey to educate myself about cancer. Even though the path through understanding cancer requires work and discipline, it is also filled with discoveries that will excite and motivate you. For anyone who has been diagnosed with cancer, the goal is to keep your focus on the joys in your life. I quickly...
