Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Missing the Big Picture is an autobiographical coming of age story about one man s struggle with mental illness and suicidal thoughts, his eventual college graduation, and his career as a comedian. Comedian Luke G. Donovan is the product of a single parent home with a mentally ill grandmother. Bullied and abused by classmates and faced with inappropriate and unprofessional faculty members in high school, he finally has a great first year of college, but continues to hear voices and have suicidal thoughts. Through perseverance and courage, however, he is able to emerge from these trying times as a registered nurse. And as he continues to grow...
