After an intense, enthralling, passionate excess of email exchanges via an internet dating site, Lucy Jane Pierce finds herself obsessed with her prospective partner, Brayden Johnson. Lucy is a preschool teacher who refers to her students as little pickles when they display unique, daring, charming, silly or bold characteristics. During her email banter with Brayden Johnson, being referred to as a pickle takes on new meaning. The question persists-How many email exchanges will it take to determine whether this man is a dry, wilting, raw, sour pickle or a juicy, fresh, tender, sweet pickle? Can he possibly be the perfect pickle for her? Get lost in the world of online dating and find out. This book is a collection of actual email letters exchanged between two people via an internet dating site. All proceeds go towards a fundraiser to keep a private preschool center in Northern California in operation. Thank you for supporting early education and private businesses.
