Bolinda Audio, United States, 2015. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. Sydney, 1942. Pearl is eighteen, beautiful, and impetuous. She plays saxophone in an all-girl jazz band at the Trocadero and occasionally sits in on underground gigs with her twin brother Martin, who also plays the sax. On one such evening black GI and jazz legend James Washington blows into her life, and nothing is ever the same again, especially not Pearl. A love story begins to unfold against the blacked-out nights and rumour-filled days of a city in the grip of war. But public events are closing in on Pearl's private world. When James is shipped out to fight in New Guinea, she hatches a breathtaking plan to reunite with him. And then all hell breaks loose. Moving, tender, and audaciously original, *Love in the Years of Lunacy* is a love story with a haunting jazz soundtrack and a war story like no other.
