EXPOSED: THE SECRET LIFE OF JODI ARIAS (HARDBACK)

HarperCollins Publishers Inc, United States, 2013. Hardback. Book Condition: New. 229 x 155 mm. Language: English . Brand New Book. On June 9, 2008, the butchered body of Travis Alexander was found in his Mesa, Arizona home. The grisly nature of his death made instant headlines: with twenty-nine knife wounds, his throat slit, and a gunshot to the head, Travis was left to die. The prime suspect in the case was Alexander s ex-girlfriend, the attractive and soft-spoken Jodi Arias. Though Arias initially said that she was nowhere near the scene of crime, little about this case was as it seemed, and before long she had been caught lying to police. As the investigation progressed, her lies evolved multiple times before finally resting on an appalling claim: she had killed Travis in self-defense. Along the way, startling details emerged about the Mormon couple s relationship, and soon graphic stories of their lurid sexual encounters and jealousy-driven blowouts revealed a dark side to their life together. These revelations launched a trial filled with sex and deception but also raised substantial questions about Arias deceit, as people from across the country struggled to understand the bizarre world of Jodi Arias. Now, award-winning broadcast journalist and bestselling author Jane Velez-Mitchell, a veteran of some of the most storied court cases in recent memory, goes behind the scenes of the trial and into the mind of a killer. Using insider accounts from friends who knew Travis and Jodi, Velez-Mitchell turns her sharply-focused lens on Arias and offers her seasoned perspective on the case s most pressing questions. Separating fact from fiction, she reports on the bizarre and explicit stories that have both shocked and fascinated the American public-from Jodi s romantic history before meeting Travis, to their torrid sex life together, to the complicated...
