Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Fresh, out-of-the-box instruction style that is fun, wacky effective Develops solid number sense Challenge problems throughout Great for summer bridge Master the fundamentals of percents, grow in mathematical thinking skills, gain proficiency with number sense, and understand how and why math works the way it does. MathWise Percents will help teach and explain basic, as well as progressively advanced, percents skills. The fun, comic-style format appeals to a wide range of students. Speech bubbles are used throughout to give hints and explanations while students are solving math problems. Beginning with percent models, MathWise Percents teaches basic percent values, 10 and 1 decimal slides, converting percents to decimals and fractions, percents in terms of other percents, using 10 as a reference, and calculating rate of change. The book incorporates common, practical uses of percents: restaurant tips, discounts, and tax. Advanced percent topics include finding the percent and the whole, and solving for percents, using both the algebraic and proportion methods. A series of Concept Quizzes tests students knowledge of key ideas and procedures regarding percents. This book, with its emphasis on various ways of manipulating numbers, is especially helpful for building number sense. This series of books is designed to be unique and to catch kids attention in special ways: Tips and Tricks Students have found tips and tricks to be not only helpful and memorable, but also interesting and motivating. Speech Bubbles with Teacher Insights Speech bubbles are used to provide guidance, point out insights, or give helpful hints as students are solving math problems. Students learn best by doing, and the instruction given in the speech bubbles is designed to (1) sharpen students powers of observation, (2)...
