Desperate to find the truth, Jenna enlists two unlikely allies in her quest. The first is Serenity Jones, a psychic who rose to fame finding missing persons - only to later doubt her gifts. The second is Virgil Stanhope, a jaded private detective who originally investigated Alice's case along with the strange, possibly linked death of one of her colleagues. As the three work together to uncover what happened to Alice, they realize that in asking hard questions, they'll have to face even harder...
