Intension Publishing, United States, 2009. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.College may have been the last playground, but it was an adult playground consumed by the adult themes of lies, sex, drugs, and violence. In part two of FRATIRE, Darren Bryce reveals the darker side of the college experience by taking readers even deeper into The Scene and its shadowy nightlife world of seduction and power where appearance and perception matter more than anything else. Bryce also explores a ruthless Greek Life system where he and his fraternity brothers are willing to hurt and demoralize anyone who stands in the way of their social status ascension. Stories include: discrimination, nightclubs, one-night stands, power politics, violent behavior, infidelity, hazing, keggers, and the lewdest of drunken humor. This is the brutally true story of what really happens at party colleges in America.
