### Reviews

*A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.*

Skyhorse Publishing, United States, 2016. Paperback. Book Condition: New. 210 x 140 mm. Language: English . Brand New Book. Big M OK Used Car--magnate Michael Mulroney never set out to be heroic. He lives at the top, naturally, thanks to instinct, wit, and the will to win. Insolvency is not the same as poverty; poverty is for poor people. And a man of proven dexterity is not poor. He beats the practical challenges of life in the golden state--of fickle markets, lowballers, long-toothed real-estate women, name droppers, fitness compulsives, sexual-molestation charges, and the ten-percent grade up Hazel Dell on a bicycle four days in a row--at sixty! Samson slew a thousand philistines with the jawbone of an ass. Michael Mulroney may be more deliberate in sussing out a situation, measuring a mark for front-end warmth, background development, schmoozing up and hosing down. But soon he ll step back in deference to his inner Samson, who will swing away, going in for the close. If the ledger won t balance, give it a few days with some hustle and scramble and judiciously placed phone calls. That s the difference between a poor man and a man of the worldly class. Skyhorse Publishing, as well as our Arcade, Yucca, and Good Books imprints, are proud to publish a broad range of books for readers interested in fiction--novels, novellas, political and medical thrillers, comedy, satire, historical fiction, romance, erotic and love stories, mystery, classic literature, folklore and mythology, literary classics including Shakespeare, Dumas, Wilde, Cather, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.
