Reviews

This pdf will not be simple to start on reading through but extremely enjoyable to see. I have read and i also am sure that i will planning to read through again once more in the foreseeable future. You wont really feel monotony at whenever you want of the time (that's what catalogues are for relating to if you request me).

(Mallory Kertzmann V)

GOTH'S DARK EMPIRE

Indiana University Press. Paperback. Book Condition: new. BRAND NEW, Goth's Dark Empire, Carol Siegel, In "Goth's Dark Empire" cultural historian Carol Siegel provides a fascinating look at Goth, a subculture among Western youth. It came to prominence with punk performers such as Marilyn Manson and was made infamous when it was linked (erroneously) to the Columbine High School murders. While the fortunes of Goth culture form a portion of this book's story, Carol Siegel is more interested in pursuing Goth as a means of resisting regimes of sexual normalcy, especially in its celebration of sadomasochism (S/M). The world of Goth can appear wide-ranging: from films such as "Edward Scissorhands" and "The Crow" to popular fiction such as Anne Rice's "vampire" novels to rock bands such as Nine Inch Nails. But for Siegel, Goth appears as a mode of being sexually undead - and loving it. What was Goth and what happened to it? In this book, Siegel tracks Goth down, reveals the sources of its darkness, and shows that Goth as a response to the modern world has not disappeared but only escaped underground. Carol Siegel, Professor of English and American Studies at Washington State University, Vancouver, is the author of "Male Masochism: Modern Revisions" of the story of Love and New Millennial Sexstyles (both by Indiana University Press) and "Lawrence Among the Women: Wavering Boundaries in Women's Literary Traditions", as well as various articles on Modernist and Victorian literature, gender theory, film, and rock music. She is co-author of the journals "Genders and Rhizomes".
