An uplifting, beautiful story about never letting go of your dreams, the special magic of a family Christmas and the rush of falling in love under the mistletoe. Single mother Abbey Fuller loves her family more than anything and doesn't regret for a moment having had to put her dreams of being an interior designer on hold. But with her son, Max, growing up, when a friend recommends her for a small design job, she jumps at the chance. How hard can it be? Nick Sinclair needs his house decorated in time for his family's festive visit - and money is no object. What he doesn't need is to be distracted from his multimillion-dollar business - even if it is Christmas. When Abbey pulls up to the huge Sinclair mansion, she has a feeling she might be out of her depth. And when she meets the gorgeous, brooding Nicholas Sinclair, she knows that she's in real trouble. With the snow falling all around, can Abbey take the chance to make her dreams of being a designer come true? And can she help Nick to finally enjoy the magic of Christmas?
