Createspace, United States, 2015. Paperback. Book Condition: New. 254 x 203 mm. Language: English . Brand New Book ***** Print on Demand *****.The BIBS Devotional Book is a daily Bible reading and study plan. It is designed to guide the reader in both an in-depth study of a certain short passage every day, as well as weekly overview readings of the surrounding chapters to provide context. Note from the author: There are two main reasons I do not often use or recommend most devotional books or most things written for teens. First, they cater to this false idea that teens are somehow less intelligent and need things dumbed down for them to get it. Wrong! Those in their teen years are highly motivated to excel at whatever they're challenged to do. BIBS simply challenges them to know their Bibles if they're up to it. Second, most devotionals have the reader read very little of the Bible and think very little for himself. Then, if there is a biblical text to read--and sometimes it is only one verse(!)--the devotional tells the reader what to think about that text. God's Word IS saying something in every text, but discovering it for myself and applying it to myself is much more lasting. Following the BIBS format offers both the depths of Scripture AND the flow of thought of the context of Scripture. It is a guide to help you hear from God and a tool to help you understand and apply His desires for your life. B.I.B.S. Created in 2012. All quotations use the King James Bible.
