Brand New Book ***** Print on Demand *****.A man awakens as a kamikaze soldier in the new War on Disease. A schoolgirl tries to escape her demons through virtual reality. A spaceship engineer mourns the loss of her daughter. Plunge into the cybernetic woods with DIVISION in seven searing new fairytales for the digital generation, brought to life by Hawke s trademark haunting style. If you like sci fi or dystopian work, you will enjoy DIVISION. All the stories have characters that you can sympathize with, and situations that will ring true. Excellent job by Lee S. Hawke on this collection, and I d love to see more. Michael Nail at Lee has an incredible story-telling ability and the words he uses and the images he can make you see as he guides you through each story is just amazing. Each one is different and unique, so you never know what you re going to read next. A Drop of Ink Reviews Lee S. Hawke simultaneously treads the literary paths of The Brothers Grimm and Bradbury to create seven new fairytales for the digital generation. Carey R, Amazon Reviewer I love science fiction, adore short stories, and have always liked the dark side of fairy tales. This collection of stories is all of those things.
